**RECOMMENDATION: Take a reality check. Then consider what a difference up to \$3,000.00 a month would make.**

Please take a minute to consider what might happen if you suffered a disabling injury as a result of an accident, and could not work for a period of time. How would the bills get paid? Would your family be able to keep up financially? Choose from monthly benefits tailored to your specific needs: \$3,000.00, \$2,000.00 or \$1,000.00, as long as it does not exceed 66 2/3% of your income. You can also select a waiting period of 30 or 60 days, after which benefits begin and can last for up to two full years. Use your benefit checks to help with rent or mortgage payments, utilities, food, car payments, or any other ongoing expenses. There are no restrictions on how you spend your monthly benefits.

# SUMMARY OF BENEFITS FOR OKLAHOMA SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS-ENDORSED GROUP ACCIDENT DISABILITY INSURANCE PLAN

## You can collect up to \$3,000.00 per month for any covered disability injury.

The OSCP-Endorsed Group Accident Disability Insurance Plan protects you for accidental injuries that result in total disability, not from disability due to illness or sickness. You can select a monthly benefit amount of up to \$3,000 based on your monthly income, as long as the amount does not exceed 66 2/3% of your basic monthly wages and commissions or any other fringe benefits, when added to any other disability coverage you may have. **You can collect full benefits for up to two full years**, regardless of any other benefits you receive, except for Workers' Compensation. With the ever-present risk of disabling accidents (**one every second** in the U.S. alone\*), it makes good sense to add this protection.

## You are protected 24 hours a day, anywhere in the world.

This valuable coverage continues to protect you around the clock and around the world. You're covered 24 hours a day, 7 day a week, at work, at home, and even if you're traveling anywhere in the U.S. or around the world (Subject to U.S. government regulations on restricted countries).

## Here are your affordable annual group rates as of 2009.

Monthly Benefit	30-Day Waiting Period	60-Day Waiting Period
\$3,000.00	\$105.00	\$79.50
\$2,000.00	\$70.00	\$53.00
\$1,000.00	\$35.00	\$26.50

For premium quotes for other benefit amounts, please visit [www.bealepro.com](http://www.bealepro.com) or call 1-800-530-4863.

Premium contributions may only be changed by New York Life Insurance Company on any premium due date and any date on which benefits are changed. However, your rates may change if they are changed for all others in the same class of insureds under this group policy but no more often than once in any 12-month period. For example, a class of insureds is a group of people all with the same waiting period. Benefits may be changed by agreement between New York Life and The Trustees of the Oklahoma Professionals Insurance Trust.

**Your spouse can also enroll for coverage at the same OSCP group rates!**

## You can select the waiting period that fits your needs.

You can choose from a 30 or 60-day waiting period, whichever best meets your and your spouse's protection needs and goals. Select the 30-day period for maximum protection, or the 60-day period for more economy. It's up to you. A waiting period defines the amount of time the insured must be continuously disabled before a benefit will be payable.

## Your benefit checks are sent directly to you, with no restrictions.

All benefit checks are sent to you, in your name. You can use your cash benefits as you see fit...to help make up your lost income, to help with additional medical expenses, to pay your regular monthly bills, or for any other purpose.

**Use your cash benefits as you see fit!**

## Your premiums are waived during any covered benefit period.

Your premium will be waived after 6 months of receiving benefits, for as long as you are receiving benefits for any covered disabling accident. During this period, you do not need to make any premium payments on behalf of the insured that is disabled.

## Your eligibility and effective date.

You are eligible for this plan as long as you are a current member of the OSCP, under age 65 and live in the United States. Your lawful spouse is also eligible to enroll so long as he/she is also under age 65 and you, as the member, also enroll. Your coverage will become effective on

the first day of the month following your acceptance for coverage, provided you (and your lawful spouse, if applicable) are: actively at work for at least 90 days, at least 20 hours a week; not on active duty in the armed forces; and the premium has been paid within 31 days after you have been billed.

## Your protection cannot be individually cancelled.

This coverage cannot be individually cancelled as long as you are not on active duty with the military; you continue to pay your premiums within the grace period; you remain actively at work (except by reason of disability covered by the plan); the master policy remains in effect; and you remain under age 70.
