

OSCPA HIGH DEDUCTIBLE HEALTH PLAN

OPTION II

(Qualifies for use with an HSA)

All eligible charges under the group policy are subject to applicable coinsurance, calendar year deductible and per hospital confinement deductible unless otherwise specified. Some services are subject to Utilization Review as described in this brochure. Charges must be incurred while the covered person is insured under the policy and are subject to usual and prevailing charge criteria.

Deductibles

Calendar Year Deductible* (choose one)

Plan 1:

Individual: \$1,500 Family: \$3,000 Aggregate

Plan 2:

Individual: \$2,600 Family: \$5,200 Aggregate

Hospital Confinement Deductible \$500 out-of-network (per hospital stay)

*Note: The calendar year deductible is subject to change to an amount equal to the inflation adjusted deductible determined by the Internal Revenue Service. The amount of covered expenses to be incurred for 100% payment will increase in direct proportion to the deductible increase.

Plan Coinsurance (unless otherwise noted)

In-Network 80%

Out-of-Network 60%

Out-of-Pocket Maximums per Calendar Year

Out-of-Pocket Limits

Plan 1: Individual: In-Network \$2,500 Out-of-Network \$3,000

Family: In-Network \$5,000 Out-of-Network \$6,000

Plan 2: Individual: In-Network \$5,000 Out-of-Network \$6,200

Limitations and Exclusions

No benefits or limited benefits are payable for charges:
Which are not specifically provided for
Resulting from losses due to war or any action of war whether declared or undeclared
Incurred unless the insured is under the direct care of a legally qualified physician
For services or supplies for which the insured is not legally obligated to pay
In excess of the usual and prevailing charges
For services provided by volunteers or persons who do not normally charge for their services
Treatment for corns, calluses or nails of the feet, except removal of nail roots
For corrective shoe, orthotics or other corrective devices
For the reversal of male or female sterilizations
For the treatment of Infertility
For hypnosis, except when used in lieu of anesthesia
For the donor of a transplanted organ unless not covered by donee's insurance
Which are not medically necessary to the care or treatment of an illness or injury
For dental treatment, except when required due to (1) an accidental injury if the accident occurs and treatment is rendered while the patient is insured under the plan and the treatment is begun within 90 days after the accident and the charges for such treatment are incurred within 1 year after such accident; (2) removal of cyst, leukoplakia or malignant tissue; (3) freeing of a muscle attachment or; (4) correction of a harelip, cleft palate or protruding mandible
For the purchase or fitting of eyeglasses, unless such charge is for treatment of an eye injured in an accident which occurred and treatment is rendered, while insured under this plan and the treatment is begun within 90 days of the accident and charges for such treatment are incurred within 2 years after such accident, or contact lenses, except in connection with cataract surgery
For the purchase or fitting of hearing aids
For services or supplies furnished by the U.S. or a foreign government agency, unless otherwise prohibited by law
For voluntary abortions

For charges incurred before a person becomes insured under this plan or after the insurance has ended
For a nursing home other than a skilled nursing facility
Related to a sex change
For care, treatment, services or supplies which are experimental or investigational in nature or which are mainly provided for research or education
For inappropriate, unapproved or unnecessary care or treatment
For non-prescription or unapproved drugs or medicines except equipment or supplies used in the treatment of diabetes
For custodial care
For the treatment of obesity
For charges which would result in benefits in excess of the \$5,000,000 plan maximum or any other overall or calendar year benefit maximum
For any limited benefits as described in this brochure or in the group policy
For cosmetic treatment or surgery** except payment will be made for cosmetic surgery or treatment due to an accident or a birth defect
Incurred as a result of any injury or sickness for which the insured would be eligible for Worker's Compensation
For a pre-existing condition for up to 12 months after the effective date if the insured did not have satisfactory proof of prior coverage
For Speech Therapy unless the charge is for (a) restoring speech loss or the correction of an impairment due to an injury or sickness if speech was normal before such injury and if such injury or sickness is not a functional disorder or (b) congenital malformation for which corrective surgery has been performed

**The group policy describes specific benefits which comply with the Omnibus Budget Bill ERISA Amendment regarding reconstructive surgery, cosmetic surgery, and prosthesis prescribed for covered mastectomy.

The High Deductible Health Plan is underwritten by New York Life Insurance Company, NY, NY 10010 on Policy Form GMR. The Health Savings Account (HSA) is subject to limitations and restrictions under the Medicare Prescription Drug Improvement and Modernization Act of 2003.

This brochure is not intended as tax or legal advice. We strongly urge you to consult with your accountant or tax advisor before starting an HSA to determine if this is a proper savings vehicle for you. New York Life bears no responsibility for the establishment or administration of any HSA.
